technical categories

2 years

stated warranty

Data extracted and validated against the original Maximo LEDs website.

Category overview

Overview of the product families available in the original catalog.

11 products

Wall Lights

Wall-mounted light for facades, boundary walls, balconies and outdoor architectural com...

4 products

Bollards

Visual guidance for pathways, gardens, decks and circulation areas.

6 products

Controllers & Drivers

Components for the control, power supply and safe operation of lighting systems.

13 products

In-ground Lights

Floor-recessed lighting for facades, trees, walls, columns and outdoor circulation.

18 products

Garden Spike Lights

Spike-mounted spotlights for gardens, planters, trees and landscaped areas.

14 products

Posts & Bollards

Vertical solutions for pathways, gardens, shared areas and residential projects.

23 products

Spotlights

Longer-reach lighting for facades, architectural features and large outdoor areas.

6 products

Underwater Lights

Lighting with appropriate protection for pools, reflecting pools and wet areas.
